

Religious Education (RE)

Subject Leader: Ms K Molyneux kmolyneux@taptonschool.co.uk

Curriculum Intent: Through RE in Tapton we strive to develop in all students a knowledge and understanding of religious and non-religious worldviews to foster a greater appreciation of the rich, culturally, and religiously diverse world in which we live. We aim to support students in developing their own spiritual, moral, and social awareness by increasing their understanding of the complex issues and challenges faced by people from all walks of life within their own city and beyond. It is our ambition that students leave Tapton with a greater understanding of their own place within society, both local and global. Our students will learn key beliefs from major world religions, with particular focus on the main religious tradition of the country to reflect on the historical context of Great Britain. Our ultimate goal is to create and nurture an intellectual curiosity in Students to develop a love of learning and an understanding of the role of the subject within the curriculum.
