

Destinations 2024

DESTINATIONS

Last year our students went on to study a variety of subjects including Accounting and Finance, Aerospace Engineering, Architecture, Art, Biology, Business Management, Chemistry, Computer Science, Criminology, Dentistry, Economics, Engineering, English, Film and Television, History, Law, Languages, Maths, Medicine, Nursing, Natural Sciences, Paramedic, Physics, Politics, Psychology, Sociology, Sports and Veterinary Science.

Students are supported in a variety of ways. These include:

Access to Unifrog software and support from experienced Form Tutors and the wider Sixth Form team.

Attendance at the UK Universities and Apprenticeships Fair at the University of Sheffield

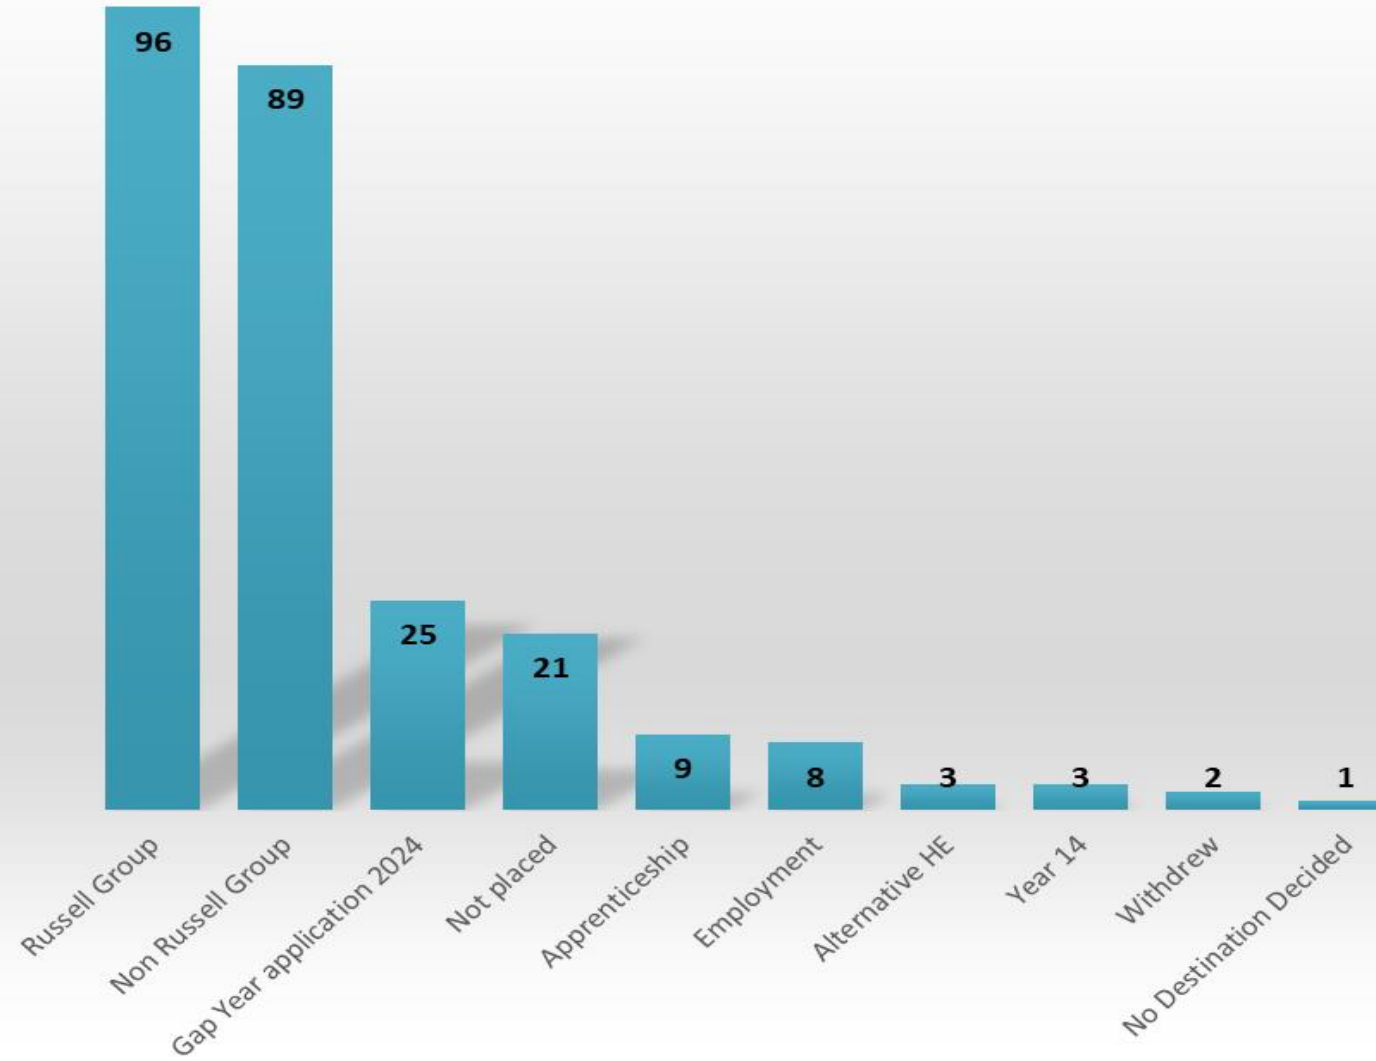

Outreach from the University of Sheffield, Sheffield Hallam University, Imperial College, London, Oxford University, Cambridge University and many others.

Parent and Carer Information Evenings.

Students applying to Higher Apprenticeships or moving on to Employment are supported by our Independent Careers Advisor.

Our broad curriculum of 29 subjects enables our students to progress to a wide variety of Post-18 destinations, these are detailed on the following slides.

Destinations 2023-2024

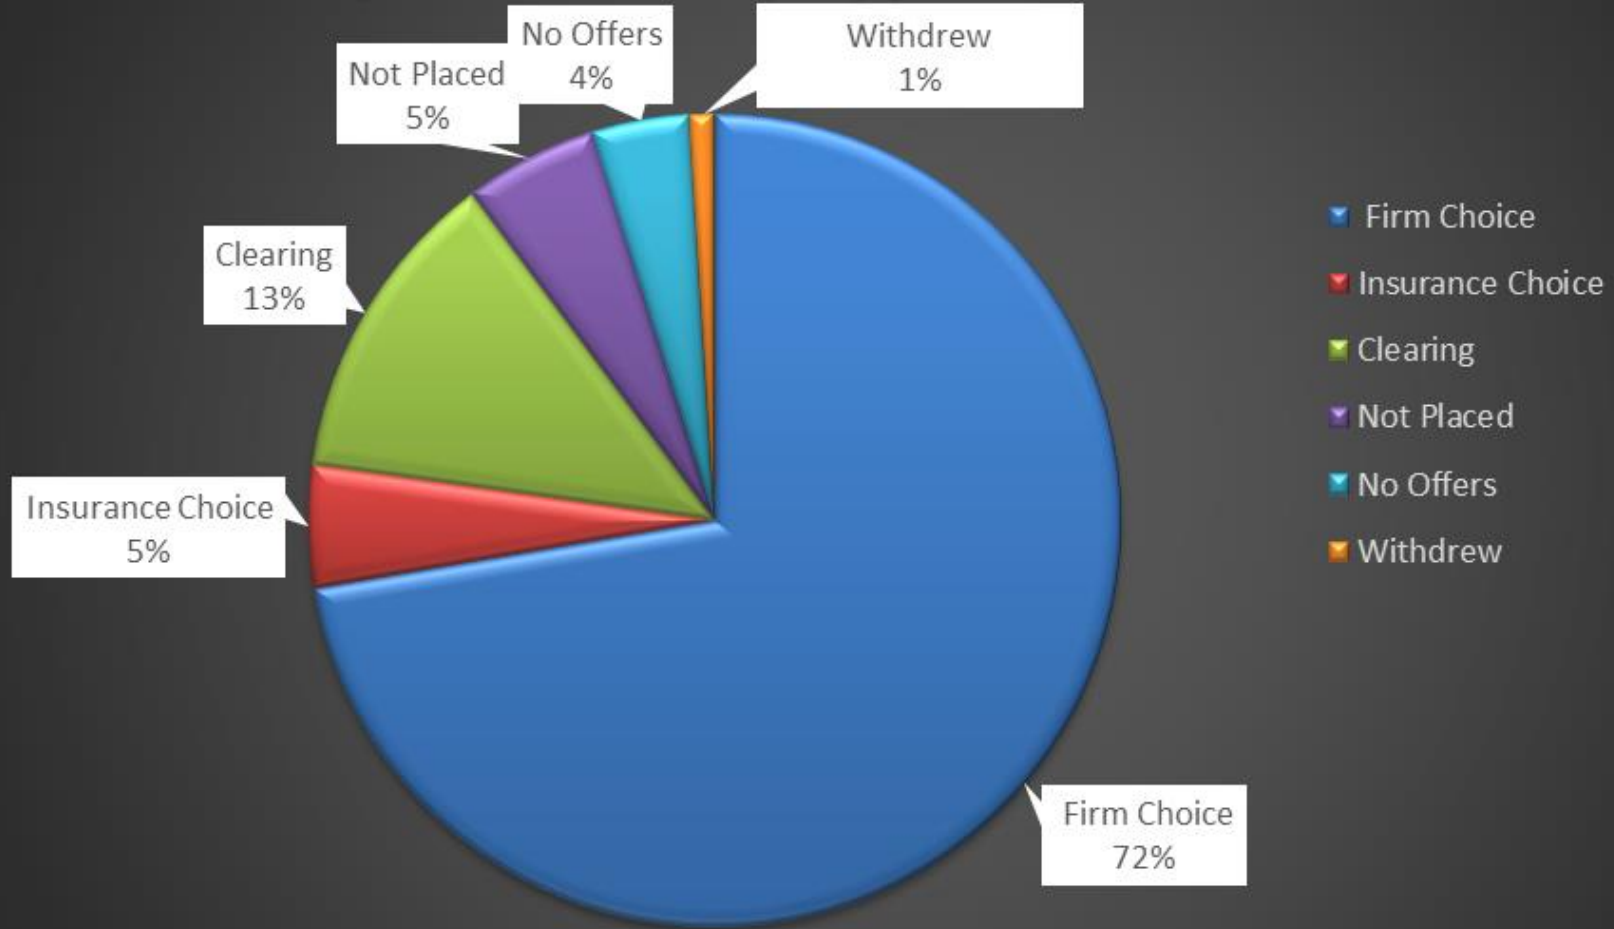

What they chose to do	Numbers
Apprenticeship	9
Employment	8
Y14	3
Apply 2024	25
Alternative HE Choice	3
Not decided on Destination	1
Total	49

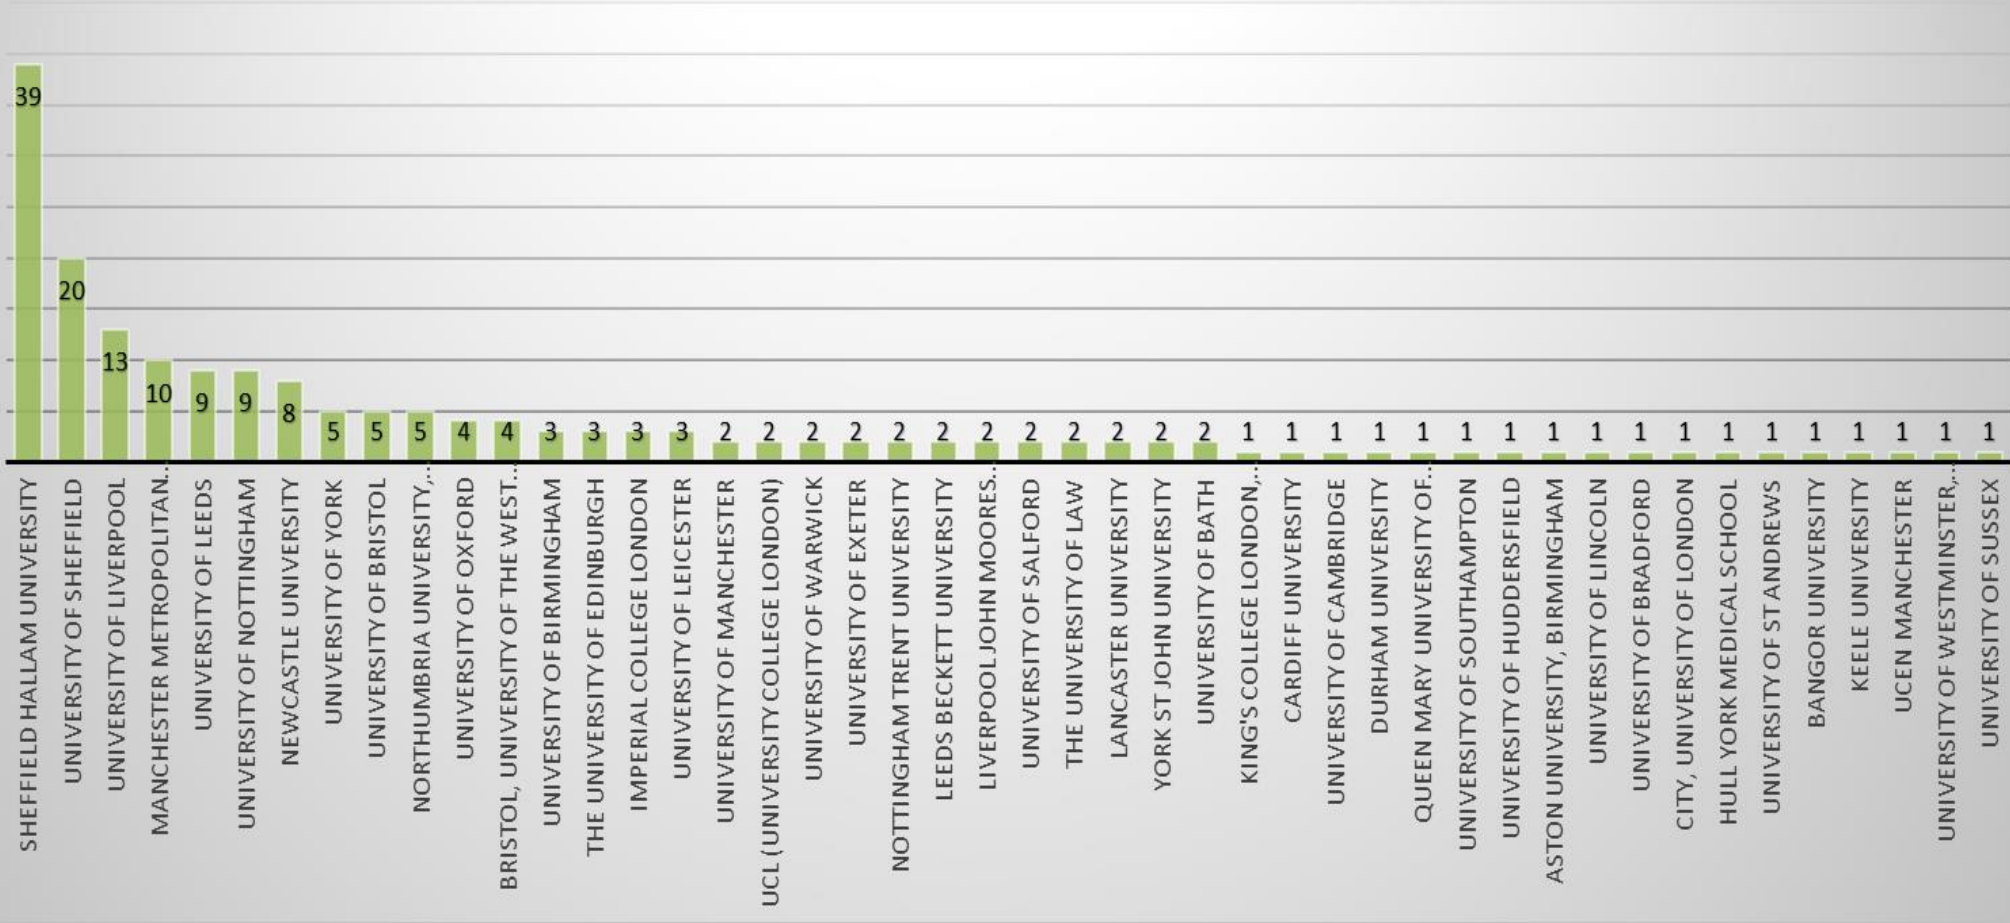

Students that chose
